

GUIDELINES FOR WHS PARENTS

Expectations for Remote Learning

General Expectations

1. Put your child's health and your family first.
2. Teachers will provide learning and activities for at least 2-3 hours a week for each subject.
3. Teachers will also provide an online presence for one hour a week, where students can communicate with them in regards to learning.
4. This will be delivered primarily via Google Classroom, Google Mail (Gmail) and Education Perfect.

Google Classroom

All Subjects

- Teachers will upload tasks/lessons for the day/week, and it is important that students check in daily. Some teachers may operate daily, some may set lessons for the week.
- These learning opportunities will be engaging activities and work of value.
- Ensure your child submits work and seeks feedback when necessary.

Contact

- We recommend that your child communicate directly with teachers via the above platforms.
- If concerned about overall achievement, please contact either your child's year level dean or your child's senior leader.
